

# Xplor Home

The easiest way to keep track of your child's day is with Xplor

## Home

### LEARNING JOURNEY

- View your child's learning, featuring all the beautiful photos and videos captured throughout the day
- Learn about your child's progress and re-discover their passions

### BOOKING INTO CHILD CARE

- Book additional days quickly and conveniently
- Notify your centre if your child will be late or absent
- Notify your centre in advance of upcoming holidays

### HEALTH AND WELLBEING

- Monitor your child's health at a glance with analytics covering sleep, nutrition, toileting and sun protection

### FINANCE AND CHILD CARE SUBSIDY

- Simplify your child care financials so they are easy to manage
- View your child care subsidy at a glance and be aware of when payments are due
- Approve your government CWA Agreement with the app

### ADDITIONAL FEATURES AND BENEFITS OF XPLOR HOME

- Enabled notifications so you can change the settings on those you choose to receive
- Invite Hub Guests to sign your child in/out on the Xplor Hub tablet
- Improved sign in and out with QR codes
- Separate 'Health' and 'Learning' timelines
- Emergency contact and Guardian Management
- Improved mobile bookings
- Childcare Subsidy Management, financial statements and payment integration
